|---------------------------------------|---|
| Travel to/From FTW Ranch: | Flying - Please arrive at San Antonio airport mid day (10:00-1:00) on the arrival date noted above. Representatives from the IMPACT Experience Event will provide transportation to/from FTW Ranch. Driving - Should you chose to drive to FTW Ranch, please arrive between 4:00-6:00pm on arrival date noted above. FTW is located on Ranch Road #335 off Hwy 41, west of Kerrville, about 2 1/2 hours from San Antonio. On your departure day, suggest scheduling your flight mid day (11:00-2:00pm) in order to allow for travel time to airport in the morning. |
| Physical Expectations: | The FTW Ranch is rocky, rugged, and in places, very steep. Go in shape, you will have a much better chance of success. There is very little hiking done during the IMPACT Experience Event, however, being able to shoot in the prone position is preferred during the course. |
| Facilities and Amenities: | During your stay, you will experience very comfortable facilities on the FTW Ranch. The main lodge contains a lounging area with a satellite television and Wi-Fi Internet Access. There are full service cabins for the participants/guests. As for communications, there is a variety of office services available including phone (land line) and Wi-Fi internet access in case you need to do business in the evenings. Laundry machines are also available. If you choose, there is space to relax if you want to get away, watch TV, or read. The meals on the FTW are delicious and bountiful; your adventure will not be the time to lose weight. |
| Weapon, Ammunition and Optics: | selected the Standard package, FTW Ranch will have demo models available for rent/use. Quality factory ammunition is also recommended for optimum results in the field. Plan on shooting between 160-200 rounds (Standard Package) and 220-250 rounds (Advanced Package). Ammunition is available for purchase/use during the event only. Additional charges will be added and due at time of departure. |
| Documents Needed: | Should you be attending an IMPACT Experience event where a "hunt" is available, participants will need to purchase a Texas hunting license upon arrival at FTW Ranch. No license is required for hogs but anything else is considered a GAME Animal. |
| Note From FTW Team: | We do everything possible to ensure you are safe at all times, have a great time and achieve your hunter training goals while at the FTW. Please listen to your instructors and guides at all times; their first priority is your safety and then your success. The biggest part of a successful training session is the "trainee/hunter's desire and attitude." You have to supply that, we will do the rest! Thanks again for booking your trip to the FTW and enjoy God's great outdoors! |
